TRITON® QUICKSTART IMPLEMENTATION PACKAGE

Email Cloud Module
On Site Delivery,
Large/Enterprise Company

Part Number: EM54-X-XX00-N
TRITON Email Cloud Module - Medium Complexity QuickStart Implementation
Overview

Proficiency and precision are necessary to effectively implement quality security solutions. To help you get the most out of your Websense® Email Security Gateway solution, Websense provides implementation packages to:

- Deploy your solution efficiently and effectively
- Optimize your security policies
- Maximize your satisfaction with the implementation process

Deliverables and Responsibilities

Delivery personnel will work closely with client staff to perform the following activities:

- Facilitate a kick-off meeting to provide an overview of the engagement process including the responsibilities of each party
- Plan and schedule the installation and implementation activities
- Support the completion of the following activities within the framework of the environment size
  - Creation and validation of design diagrams and design analysis
  - Installation, configuration, and testing of TRITON AP-Email Cloud Module
- Knowledge Transfer
  - System and Architecture Overview
  - Portal Navigation
  - Rule/Policy Creation
  - User/Group Creation
  - Alerting and Settings
  - Basic Reporting and Workflow

Client Requirements, Responsibilities and Resource Availability

The client must be able to provide the following components:

- Websense licenses
- SQL database and database accounts
- AD service account
- Ability to make network and email flow changes
- Availability of infrastructure, management, and network resources
- Ability to send test traffic to cloud
- Scheduled downtime

Client will be contacted within 48 hours of their order being processed to schedule the project kick-off call. Actual engagement dates will be determined during the kick-off call.
Package Limitations

- This implementation is delivered by remote delivery resources; No onsite delivery element
- Installation in Websense cloud for companies with up to 1000 users
- Testing of up to 20 users
- This implementation does not address any other Websense Modules other than the TRITON AP-Email Cloud Module
- The services within this offering are provided as described, with no changes

Terms & Conditions

- The implementation package is provided pursuant to the Subscription Agreement
- Implementation work must begin within 90 days of the Order or Subscriber forfeits the implementation package
- Subscriber’s assent to the Subscription Agreement constitutes acceptance of the above terms and conditions
- Deliverables within this package are non-negotiable

Applicable add-on Options

- Additional implementation options are available at www.websense.com/QuickStart
