McAfee Next Generation Firewall 5.8.1

McAfee VPN Client 1.0 for Android

Contents

About this release

This document contains important information about the current release. We strongly recommend that you read the entire document.

McAfee® VPN Client for Android is an end-user component for use with the McAfee® Next Generation Firewall (McAfee NGFW) solution. McAfee VPN Client for Android provides a secure remote connection to your company network. Strong encryption prevents eavesdropping and modification of the traffic. McAfee VPN Client for Android enables easy and secure remote access to private networks where McAfee Next Generation Firewall is used as a VPN gateway.

System requirements

McAfee VPN Client 1.0 for Android requires Android 4.0 or later. McAfee VPN Client 1.0 for Android can be installed on both phones and tablets.

Build version

The McAfee VPN Client 1.0 for Android build version is 1004.

Compatibility

McAfee VPN Client 1.0 for Android is recommended to be used with the following McAfee Next Generation Firewall component versions.

Component	Minimum compatible version	Recommended version
Security Management Center	5.8.1	Latest 5.8.x maintenance version
McAfee Next Generation Firewall in the Firewall/VPN role	5.8.1	Latest 5.8.x maintenance version

Installation instructions

Download and install the McAfee VPN Client 1.0 for Android app from the Google Play store.

To complete the VPN settings with your company-specific details, contact your McAfee Next Generation Firewall administrator.

Known issues

For a list of known issues in this product release, see this McAfee KnowledgeBase article: KB83361

Find product documentation

After a product is released, information about the product is entered into the McAfee online Knowledge Center.

Task

1   Go to the **Knowledge Center** tab of the McAfee ServicePortal at http://support.mcafee.com.

2   In the **Support Content** pane:

  • Click **Product Documentation** to find user documentation.

  • Click **Technical Articles** to find KnowledgeBase articles.

3   Select **Do not clear my filters**.

4   Enter a product, select a version, then click **Search** to display a list of documents.

Product documentation

Every McAfee product has a comprehensive set of documentation.

Document	Explanation
McAfee SMC Administrator's Guide, version 5.7	Provides general information about McAfee Next Generation Firewall and Security Management Center (SMC).
McAfee Next Generation FirewallAddendum, version 5.8.0	Supplements *McAfee SMC Administrator's Guide* and provides information on the new features in McAfee Next Generation Firewall 5.8.0. Contains detailed instructions for administrators to configure McAfee Next Generation Firewall as a VPN gateway.
