Release Notes

Websense Explorer for Linux
Version 7

Key features

Websense Explorer for Linux enables you to generate interactive reports of Websense Internet filtering activity through the Explorer interface which runs on Linux. The reports are generated from filtering activity logged to a MySQL database running on Linux.

◆ MySQL v5.0 is required for running Explorer for Linux v7.0.

  If you try to install Explorer for Linux v7.0 with MySQL v4.x, a Log Database will be created and powered by this older version of MySQL. However, MySQL v4.x has not been tested with Explorer for Unix v6.3 and some features and functionality may not work with this older version.

◆ Websense Explorer for Linux v7.0 works with Websense Web Security and Websense Web Filtering v7.0.

  Key features of Explorer for Unix v7.0 are detailed below.

  ■ **Timeline and Calendar View in Explorer**: Explorer v7.0 offers ways to view user activity by day or by month. When you drill down into a report to choose one user and one day, you will have the option to view User Activity Detail by day. These views include graphical icons to show activity in 5-minute increments, and the ability to restrict the categories displayed.

  ■ **Log Database Size**: The table size limit for the Log Database can exceed 4 GB. Larger database sizes can slow performance. If you choose to auto-archive, you can set a pre-determined database size (not more than 1 TB) at which time a new Log Database is created and the Explorer for Linux Log Server begins to write logs to the new Log Database.

  ■ **Auto-Archive**: As part of the Database Tools utilities menu, the Log Database can be set to automatically archive, either based on a pre-determined size limit or once a month. When either the size limit has been reached or a month has passed, a new Log Database is created and the Explorer for Linux Log Server begins writing logs to the new Log Database. The new Log Database contains a copy of all the tables in the existing Log Database except the INCOMING and SUMMARY_USER tables. If cache files have accumulated during the rollover operation, the Explorer for Linux Log Server processes them (unless the Log Server is stopped for some reason).

  ■ **Log Database name**: The name of the Log Database created during installation is wslogdb70.

Fixed Issues

The following issue has been fixed in this release of Websense Explorer for Linux.

◆ The product can now be installed successfully if any category descriptions exceed 250 characters. This issue typically occurred when the former Websense Explorer for Unix product was installed with a non-English installation of Websense Enterprise or Websense Web Security Suite.

Known issues

◆ The only export format supported by Websense Enterprise Explorer for Linux is a Microsoft Excel spreadsheet.

Subscription agreement

IMPORTANT - THIS SOFTWARE IS PROVIDED ONLY ON THE CONDITION THAT THE SUBSCRIBER (REFERRED TO IN THIS AGREEMENT AS "SUBSCRIBER") AGREES TO THE TERMS AND CONDITIONS SET FORTH IN THE FOLLOWING LEGAL AGREEMENT BY WEBSENSE, INC. AND/OR ONE OF ITS SUBSIDIARIES (REFERRED TO IN THIS AGREEMENT AS "WEBSENSE"). READ THIS AGREEMENT CAREFULLY BEFORE ACCEPTING IT. BY CLICKING ON THE "I AGREE" BUTTON BELOW OR BY USING THE SOFTWARE, YOU ACKNOWLEDGE THAT YOU HAVE READ THIS AGREEMENT AND UNDERSTAND IT, AND YOU, ON BEHALF OF YOURSELF OR THE SUBSCRIBER, IF THE SUBSCRIBER IS A BUSINESS, AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS.

1. Subscription and Grant of Right to Use

Subject to the terms and conditions set out in this Agreement, Websense agrees to provide the Subscriber the subscription services ("Subscription") as described in the purchase commitment mutually agreed upon between the parties ("Order"). Websense grants to the Subscriber as part of the Subscription a non-exclusive, nontransferable right to use certain proprietary software applications ("Software"),

proprietary database(s) of URL addresses, applications and other valuable information ("Databases"), changes to the content of the Databases ("Database Updates") and certain modifications or revisions to the Software ("Software Upgrades"), together with applicable documentation and the accompanying media, if any, (collectively, the "Products"). The Products are provided for the number of Seats or servers for use in Subscriber's own internal business operations (not for the benefit of any other person or entity) for the time period set forth herein or in the applicable Order ("Subscription Term"), provided the Subscriber has and continues to pay the applicable fees for the Products ("Subscription Fees"). Subject to compliance with the terms of this Agreement, Subscriber may relocate or transfer the Product for use on a different server within its location. All fees paid for the Products are nonrefundable. "Seat" means each computer, electronic appliance or device that is authorized to access or use the Products, directly or indirectly. Subscriber may exceed the number of ordered Seats only upon payment of additional Subscription Fees. Websense may, at any time, audit the use of the Products remotely or, upon reasonable notice, at the Subscriber's site. Unless specifically authorized in writing in advance by Websense, the Subscriber may not rent, lease or timeshare the Products or provide subscription services for the Products or permit others to do so. Any source code provided to the Subscriber by Websense is subject to the terms of this Agreement. Subject to the terms of this Agreement, the Subscriber may allow its agents and independent contractors to use the Products solely for the benefit of the Subscriber; provided, however the Subscriber remains responsible for any breach of this Agreement. Any other use of the Products by any person, business, corporation, government organization or any other entity is strictly forbidden and is a violation of this Agreement. Evaluation copies of the Products are provided for use by the Subscriber only for evaluation purposes to facilitate Subscriber's subscription decision for up to thirty (30) days unless otherwise authorized in writing by Websense. At the end of such thirty (30) day period, the Subscriber must pay the applicable Subscription Fees or this Agreement will automatically terminate and the Subscriber must comply with the terms of Section 7 below.

2. Technical Support

Websense provides its standard technical support for Subscriptions to Products pursuant to the terms of this Agreement. Enhanced support offerings and services are available for additional cost and are also subject to the terms of this Agreement. As part of its standard technical support, WEBSENSE regularly makes available Database Updates and Software Upgrades. WEBSENSE may require Subscriber to install Software Upgrades up to and including the latest release. Database Updates and Software Upgrades will be provided to Subscriber only if Subscriber has paid the appropriate Subscription Fee for Subscriber's Seats and/or Subscriber's servers.

3. Intellectual Property Rights

The Products and all intellectual property rights therein and related thereto are the sole and exclusive property of Websense and any third party from whom Websense has licensed software for incorporation in or distribution with the Products. All right, title and interest in and to the Products and any modifications, translations, or derivatives thereof, even if unauthorized, and all applicable rights in patents, copyrights, trade secrets, trademarks and all intellectual property rights in the same shall remain exclusively with Websense and its licensors. The Products provided hereunder are valuable, proprietary, and unique, and Subscriber agrees to be bound by and observe the proprietary nature thereof. The Products contain material that is protected by patent, copyright and trade secret law, and by international treaty provisions. The Subscriber may make a sufficient number of copies of the Software for its authorized use and make one (1) copy of the Software for backup purposes only. The Subscriber may not remove any proprietary notice of Websense or any third party from any copy of the Products. All rights not granted to the Subscriber in this Agreement are reserved to Websense. No ownership of the Products passes to the Subscriber. Websense may make changes to the Products at any time without notice. Except as otherwise expressly provided, Websense grants no express or implied right under Websense patents, copyrights, trademarks, or other intellectual property rights.

4. Protection and Restrictions

The Subscriber agrees to take all reasonable steps to safeguard the Products to ensure that no unauthorized person shall have access thereto and that no unauthorized copy, publication, disclosure or distribution, in whole or in part, in any form shall be made. The Subscriber acknowledges that the Products contain valuable, confidential information and trade secrets and that unauthorized use and/or copying is harmful to Websense. The Subscriber may not directly or indirectly transfer, assign, publish, display, disclose, rent, lease, modify, loan, distribute, or create derivative works based on the Products or any part thereof. The Subscriber may not reverse engineer (except as required by law for interoperability), decompile, translate, adapt, or disassemble the Products, nor shall the Subscriber attempt to create the source code from the object code for the Software. Any third party software included in the Products may only be used in conjunction with the Products, and not independently from the Products. Subscriber may not, and shall not allow third parties to, publish, distribute or disclose the results of any benchmark tests performed on the Products without Websense's prior written approval. Subscriber represents and warrants that it will comply with all laws, rules and regulations which apply to its use of the Products. Subscriber further represents and warrants that the Products will not be used to filter, screen, manage or censor Internet content for consumers without (a) permission from the affected consumers and (b) Websense's express prior written approval which may be withheld in Websense's sole and absolute discretion.

5. Limited Warranty

For the term of the Subscription, Websense warrants that the Products will operate in substantial conformance with the then current Websense published documentation under normal use. Notwithstanding the previous sentence, Websense does not warrant that: (i) the Products will be free of defects; (ii) the Products will satisfy all of the Subscriber's requirements; (iii) the Products will operate without interruption or error; (iv) the Products will always locate or block access to or transmission of all desired addresses, applications and/or files; (v) the Products will identify every transmission or file that should potentially be located or blocked; (vi) addresses and files contained in the Products will be appropriately categorized; or (vii) that the algorithms used in the Products will be complete or accurate. Websense shall use reasonable efforts to remedy any significant non-conformance in the Products which is reported to Websense that Websense can reasonably identify and confirm. Websense or its representative will repair or replace any such non-conforming or defective Products, or refund the Subscription Fees paid for the then current term, in Websense' discretion. This paragraph sets forth the sole and exclusive remedy and Websense' exclusive liability for any breach of warranty or other duty related to the Products. Any unauthorized modification of the Products, tampering with the Products, use of the Products inconsistent with the accompanying documentation, or related breach of this Agreement shall void the aforementioned warranty. EXCEPT AS EXPLICITLY SET FORTH HEREIN AND TO THE EXTENT ALLOWED BY LAW, THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, TITLE OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE PRODUCTS.

6. Limitation of Liability

TO THE FULLEST EXTENT PERMITTED BY LAW, UNDER NO CIRCUMSTANCES WILL WEBSENSE, ITS AFFILIATES, ITS LICENSORS OR RESELLERS BE LIABLE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, SPECIAL, PUNITIVE OR INCIDENTAL DAMAGES, WHETHER FORESEEABLE OR UNFORESEEABLE, ARISING OUT OF OR RELATED TO THIS AGREEMENT INCLUDING, BUT NOT LIMITED TO CLAIMS FOR LOSS OF DATA, GOODWILL, OPPORTUNITY, REVENUE, PROFITS, OR USE OF THE PRODUCTS, INTERRUPTION IN USE OR AVAILABILITY OF DATA, STOPPAGE OF OTHER WORK OR IMPAIRMENT OF OTHER ASSETS, PRIVACY, ACCESS TO OR USE OF ANY ADDRESSES OR FILES THAT SHOULD HAVE BEEN LOCATED OR BLOCKED, NEGLIGENCE, BREACH OF CONTRACT, TORT OR OTHERWISE AND THIRD PARTY CLAIMS, EVEN IF WEBSENSE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL WEBSENSE'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT EXCEED THE TOTAL AMOUNT ACTUALLY PAID BY THE SUBSCRIBER TO WEBSENSE FOR THE APPLICABLE PRODUCTS OVER THE ONE YEAR PERIOD PRIOR TO THE EVENT OUT OF WHICH THE CLAIM AROSE FOR THE PRODUCTS THAT DIRECTLY CAUSED

THE LIABILITY.

7. Termination

This Agreement is effective until the end of the Subscription Term for such use as is authorized, or until terminated by either party. The Subscriber may terminate this Agreement at any time by uninstalling the Software and destroying or returning to Websense all copies of the Products in the Subscriber's possession or under the Subscriber's control. However, Subscriber shall not be entitled to a refund of any prepaid or other fees. Websense may terminate this Agreement if Websense finds that the Subscriber has violated the terms hereof. Upon notification of termination, the Subscriber agrees to cease using and destroy or return to Websense all copies of the Products and to certify in writing that all known copies thereof, including backup copies, have been destroyed. Section 2-7, 9 and 11 shall survive the termination of this Agreement.

8. Government Restricted Rights

The Products are provided with "RESTRICTED RIGHTS." Use, duplication, or disclosure by the U.S. Government is subject to restrictions as set forth in FAR52.227-14 and DFAR252.227-7013 et seq. or its successor. Use of the Products by the Government constitutes acknowledgment of Websense's proprietary rights therein. Contractor or Manufacturer is Websense.

9. Third Party Products

The Products include software products licensed from third parties. Such third parties have no obligations or liability to the Subscriber under this Agreement but are third party beneficiaries of this Agreement.

10. Export

Certain Products provided under the Agreement are subject to export controls administered by the United States and other countries. Export or diversion contrary to U.S. law is prohibited. U.S. law prohibits export or re-export of the software or technology to Cuba, Iran, North Korea, Sudan and Syria or to a resident or national of those countries.
